

Practice Routine Worksheet

What time of day will be most optimal for your piano practice on a typical day?
(Before school, after school, after dinner, after bath...)

.....

Are there any days of the week that you will have a conflict with that time? How will you alter your practice plan to accommodate the interruption in your normal practice routine? **Remember, you should be practicing 5 days each week.*

.....

.....

What obstacles do you anticipate getting in the way of following your practice routine, and how will you overcome them?

.....
